## Notes:

- The above results were reviewed by the Audit Committee and approved at the meeting of Board of Directors held on May 27, 2022 and the Statutory Auditors have qualified their Audit Report in the matter stated in Note No. 4 below which are self explanatory.
- The Company is engaged in the business of manufacturing of cotton yarn & knitted fabrics. Since the Company's business falls within a single business segment, disclosure under Indian Accounting Standard (Ind AS) -108 Operating Segments is not applicable.
- In absence of probable future taxable profit, the Company has recognised deferred tax assets only to the extent of deferred tax liability, as stipulated by Indian Accounting Standard (Ind AS) -12.
- The company has not provided interest on unsecured intercorporate loan of Rs. 128 lakhs received from non-related party.
- The Company suspended operations in September, 2015 to contain losses due to un-favourable market conditions and financial constraints. The incentives given to new cotton spinning units under the state textile policy created an uneven playing field making it difficult for the older units to compete in times of general lack of demand and a situation of oversupply in the market. The financial statements as at 30-09-2015 and afterwards have been therefore been prepared on non going concern basis.
- The figures for the quarter ended 31-03-2022 and 31-03-2021 are the balancing figures between audited figures in respect of the full financial year and the unaudited published year to date figures upto nine months of the respective years which were subject to limited review.
- The figures have been re-grouped and re-classified, wherever necessary to make them comparable.
