**Annexure E****MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

**a) Industry structure and developments:** India's cotton spinning industry grow by 5 to 6 per cent in financial year 2024-2025. The country's yarn exports declined on account of exceptionally high cotton production in China, and the unrest in Bangladesh. There was also increase in domestic demand from apparel and home textile manufacturers.

**b) Opportunities & Threats:** India is also the second largest producer of cotton, accounting for 23-24 percent of the global cotton crop. India is the second-largest country in terms of enjoying yarn-spinning capacity in the world after China, accounting for roughly 20 percent of the world's spindle capacity. The Indian textile and apparel industry contributes about 7% to industry output in value terms and approximately 2.3% to the country's GDP. Further, the industry contributes 13% to the manufacturing and 12% to the export earnings of the country. The availability of cotton along with huge manufacturing capacity of all kinds of cotton yarn enable it to produce a large exportable surplus.

China used to be a major importer of Indian yarn, India is now facing a big threat from cotton yarn produced in Vietnam. MSP (minimum support price) of Indian cotton has been continuously rising. The yarn prices do not rise commensurately with cotton prices leading to pressure on margins for yarn manufacturers.

Slowdown in demand growth in export market is leading to low-capacity utilization in spinning industry. Low-capacity utilization, high raw material prices continue to remain the major threats for the industry.

**c) Segment analysis and review:**

Particulars	Units	April 2024 to March 2025	April 2023 to March 2024	% Change
Production of Cotton Yarn	Kgs	Nil	Nil	N.A.
Sale of Cotton Yarn	Kgs	Nil	Nil	N.A.
Average Realisation	Rs./Kg.	N.A.	N.A.	N.A.
Average Cost of Cotton	Rs./Ton	N.A.	N.A.	N.A.
Profit/(Loss)before Interest but after Depreciation	Rs. in Lacs	(19.62)	(17.90)	(9.61)

**d) Outlook:** The outlook for cotton yarn spinning industry looks positive with a rebound in exports and favorable domestic demand are expected to drive India's cotton yarn. Uptick in volumes will primarily drive a 7-9% revenue growth in the current fiscal, supported by modest increase in yarn prices. Operating margins, after witnessing a recovery last fiscal, are expected to see

**Directors' Report (Contd.)**

further uptick of 50-100 bps this fiscal, owing to stable cotton yarn spreads. The primary driver for the revenue uptick in fiscal 2026 will be the rebound in yarn exports to China. However, prices are expected to taper as cotton yarn realisations remain unsustainable at current levels, which may affect demand

**e) Risks & Concerns:** Under utilised excess capacity coupled with unbridled capacity creation purely for the sake of availing incentives is proving counterproductive. Addition of new capacity is rendering existing capacity redundant. Stagnant domestic consumption, negative export growth, high input costs and shortage of skilled workforce are common concerns.

**f) Internal control systems and their adequacy:** The Company has suspended operations since September 2015. The Company has adequate system of internal controls and necessary checks and balances are introduced/ strengthened so as to ensure: -

- a) that its assets are safeguarded and protected against losses.
- b) that all transactions are authorised, recorded and reported properly.
- c) that accounting records are properly maintained and its financial statements are reliable.

The significant findings, if any, are placed before the Audit Committee of the Board and corrective measures are recommended for implementation. The Company appoints external firms of Auditors to conduct internal audit and their reports are reviewed by the management and Audit Committee.

**g) Discussion on financial performance with respect to operational performance:**

The Company did not have any operations during the year. The profit after interest and depreciation was Rs.(19.62) lakhs as compared to profit of Rs.(17.90) lakhs for the previous period.

**h) Information regarding Human Resources/Industrial Relations:** Industrial relations at the Company remain cordial. Manpower employed with the Company as at 31st March, 2025 was 3 compared to 3 as on 31st March, 2024.

**i) Details of Significant Changes in Key Financial Ratios**

Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report We are independent of the Company in accordance with the "Code of Ethics" issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Material Uncertainty Related to Going Concern**

Without qualifying our opinion, we draw attention to Note 16 (12) in the financial statements which indicates that Company net worth as at March 31, 2025 has been completely eroded on account of accumulated losses of Rs. 211102.50 thousand. Further due to operational difficulties and to curtail the loss company has suspended its manufacturing operation from September 30, 2015. The financial statements as at 31.03.2016 and onwards have been therefore prepared on non-going concern basis and assets are stated at lower of carrying value or net realisable value.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report

**Information other than the Financial Statements and Auditor's Report thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**RESPONSIBILITY OF MANAGEMENT FOR THE INDAS FINANCIAL STATEMENTS**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process

**AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

**INDEPENDENT AUDITORS' REPORT** (Contd.)

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
- e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended 31st March, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS**

**INDEPENDENT AUDITORS' REPORT** *(Contd.)***ANNEXURE “B” TO THE INDEPENDENT AUDITORS' REPORT**

**(REFERRED TO IN PARAGRAPH (h) UNDER “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT OF EVEN DATE.)**

**REPORT ON THE INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING UNDER CLAUSE (i) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“THE ACT”)**

We have audited the internal financial controls over financial reporting of KANCO ENTERPRISES LIMITED (“the Company”) as of 31 March 2025 in conjunction with our audit of the standalone Ind AS Financial Statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India .These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the institute of chartered accountants of India and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide

**INDEPENDENT AUDITORS' REPORT** *(Contd.)*

reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes to the Financial Statements

### Background

Kanco Enterprises Limited (the 'Company') is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956 having its registered office at Jasmine Tower, 3rd Floor 31, Shakespear Sarani Kolkata-700017, India. The company was engaged in manufacturing of textile products in India. The company had suspended its operations in September 2015 to contain losses due to un-favourable market conditions. The factory land & building and machineries have been sold by the Company. The financial statements have been therefore prepared on non going concern basis.

### Note 1 Significant Accounting Policies

#### a. Basis of preparation:

The Financial Statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The financials statements have been prepared on non-going concern basis and assets are stated at lower of carrying value or net realisable value. No material adjustment arose as a result of ceasing to apply the going concern basis.

All the assets and liabilities have been classified as current or non-current as per the normal operating cycle of the Company and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

#### b. Fixed Assets:

##### Tangible Assets:

Fixed assets are carried at cost of acquisition | construction including incidental expenses directly attributable to the acquisition| construction activity, as the case may be, less accumulated depreciation, amortisation and impairment as necessary as per "Cost Model".

##### Transition to Ind AS

On transition to Ind AS, the group has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

#### c. Depreciation :

- (i) Depreciation is being provided on a pro-rata basis on the 'Straight Line Method' over the estimated useful lives of the assets.
- (ii) Depreciation is being calculated on a pro-rata basis from the date of acquisition | installation till the date the assets are sold or disposed of.
- (iii) useful lives of the assets as prescribed under part C of Schedule II to the Companies Act, 2013 are applied except plant and equipment, for which the management has estimated 10 years useful life of assets based on technical assessment.

## Notes to the Financial Statements (Contd.)

- (iv) The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

### d. Impairment of Assets:

The carrying amounts of assets are reviewed at each Balance Sheet date to assess if there is any indication of impairment based on internal | external factors. Considering the discontinued operation, an impairment loss on such assessment will be recognised wherever the carrying amount of an asset exceeds its fair value less costs to sell.

### e. Borrowing Costs:

Borrowing costs in relation to acquisition and construction of qualifying assets are capitalised as part of cost of such assets up to the date when such assets are ready for intended use. Other borrowing costs are charged as expense in the year in which these are incurred.

### f. Inventories:

- i) Raw materials, packing materials, work-in-progress, finished goods, fuel, stores and spares are valued at cost or net realisable value whichever is lower. Cost is arrived at on First in First Out (FIFO) basis.
- ii) Goods-in-transit are stated at the cost to the date of Balance Sheet.
- iii) Scrap materials are valued at net realisable value.
- iv) 'Cost' comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventory to the present location and condition.
- v) Due allowances are made for obsolete inventory based on technical estimates made by the Company.

### g. Foreign Currency Transactions:

- i) **Initial recognition:**  
Transactions denominated in foreign currencies are recorded at the rate prevailing on the date of the transaction.

ii) **Conversion:**

At the year end, monetary items denominated in foreign currencies remaining unsettled are converted into Indian rupee equivalents at the year end exchange rates. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

iii) **Exchange differences:**

All exchange differences arising on settlement and conversion of foreign currency transactions are included in the Statement of Profit and Loss.

### h) Revenue Recognition:

Revenue from sales is recognised when all significant risks and rewards of ownership have been transferred to the buyer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.

## Notes to the Financial Statements (Contd.)

### i) Sale of Goods and Services:

- 1) Domestic sales are accounted for on dispatch from the point of sale except in case of consignment sales in which revenue is recognised when the goods are sold to a third party.
- 2) Export sales are accounted on the basis of dates of on board Bill of Lading and / or Air Way Bill.
- 3) Service income is recognised, when the related services are rendered.

### ii) Other Revenues:

- 1) Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

## I) Employee benefits:

### i) Defined contribution plan:

Contribution paid | payable by the Company during the period to Provident Fund, EDLI and Labour Welfare Fund are recognised in the Statement of Profit and Loss.

#### Provident Fund :

The company pays provident fund contributions to publicly administered provident funds as per local regulations. The group has no further payment obligations once the Contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

### ii) Defined benefit plan:

#### Gratuity:

Gratuity liability is a defined benefit obligation and is computed on the actual basis at the end of each financial year. Any shortfall in the value of assets over the defined benefit obligation is recognised as a liability with a corresponding charge to the Statement of Profit and Loss.

#### Short-term leave encashment:

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur. The Company has unfunded Defined Benefit Plans in the form of Compensated Absences, as per Company Policy.

## j) Provisions, Contingent Liabilities and Contingent Assets :

Provisions involving a substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Provision is not discounted to its present value and is determined based on the best estimate required to settle an obligation at the year end. These are reviewed every year

## Notes to the Financial Statements (Contd.)

end and adjusted to reflect the best current estimate. Contingent liabilities are not recognised but are disclosed in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements.

### k. Taxation:

- i) Income tax expense comprises current tax and deferred tax charge or credit. Provision for current tax is made on the basis of the assessable income at the tax rate applicable to the relevant assessment year.
- ii) Deferred tax asset and deferred tax liability are calculated by applying tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets on account of timing differences are recognised, only to the extent there is a reasonable certainty of its realisation. Deferred tax assets are reviewed at each Balance Sheet date to reassure realisation.

### l. Critical estimates and judgments:

The preparation of Financial Statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the Financial Statements.

The areas involving critical estimates or judgments are:

- Estimated useful life of Plant & equipment – Note 2
- Estimation of defined benefit obligation – Note 14

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.
